

From Your Director

Looking forward to another year of camping and RV Rally's. (Samboree) You will Notice Samborees have been changed to RV Rally's. So many new people to the RV life Style and camping do not understand what a Samboree is. RV Rally is more of a self Explanation. Like car Rally's or Motorcycle Rally.

Chapter Presidents will be receiving Chapter Chat a news letter every Quarter. If Presidents have email that's how it will come. It will say from Stacey Rabung Chapter Chat news letter. If you don't have email you will receive by US mail.

Presidents please check the Ohio good Sam web page under Presidents To make sure your email and mailing address is correct.

We thank everyone for all the support you have giving. We are looking forward to the coming year.

Thanks
Keith Hallowell
